

Roadside Geology of Grant County

Hop on the People Mover and take a ride through the southern Blue Mountains to learn about local geology from Ray Poe, Malheur National Forest Geologist.

The day will start with an introduction at Mt Vernon Community Center, and then we will ride the bus to roadside points of interest, with a stop for lunch.

Sack lunch provided. Space is limited, so pre-registration is required!

WHEN

Thursday, June 26
9:00 AM - 3:00 PM

WHERE
